

Erie Shores Council Needs You!

Attention campers! Erie Shores Council is looking for Camp Masters (formerly camp directors) and camp commissioners for Camp Miakonda for the coming scouting year. It is the opportunity for free weekends at Camp Miakonda for you.

We are setting up training for camp masters and camp commissioners on Saturday, May 17 from 8:30-12:30 (including lunch). On Sunday, June 1, we will be hosting all current camp directors and the newly trained camp masters and commissioners for dinner from 5:00-7:30. The program will include recognition of this year's camp directors, diplomas for those completing training, and the drawing for assignment weekends for the next year.

Make reservations with Nancy at the council office (419-241-7293) for both events or contact John Bolster at camp – 419-882-1651 with questions.
