

Erie Shores Council, BSA

International Activity Patch Requirements

In order to wear the International Activity emblem, a pack, den, post, crew, patrol, troop or individual must meet one of the following requirements:

1. Participate as a member of your unit or a contingent unit in an activity outside of the United States. This must have a minimum duration of three days and two nights.
2. Participate as a member of your unit or individually host a group or individual scout from another country during their visit to the United States. This must have a minimum duration of one day and night.
3. Participate in a camporee or scheduled event in which scouts of other nations are involved. This must have a minimum of three days and two nights.
4. Serve as a counselor in the European Camp Staff program.
